

January 10, 2021

Dear Parents and Caregivers:

Earlier this year you received a letter explaining that as part of our commitment to excellence, we are applying for renewal of accreditation from Cognia. We proudly hold current district-wide accreditation as recognition of our constant goal to meet rigorous standards, utilize feedback from stakeholder groups, and make changes to teaching and learning based on student performance.

We have completed our employee and student surveys and would now like to ask for your participation in the Cognia survey. The purpose of this electronic survey is to gain an understanding of your perceptions and opinions of our school. The survey will be open from January 10-31, 2022. The QR code below will open the survey and you will need to choose the school your child attends. If you have more than one child in our school, please complete the survey for the oldest child in our school. If you have children in multiple schools, please complete a survey for each school. This information is also on our school website and at: <https://tinyurl.com/yssdk3b8>

The survey results will be used to plan for the future and meet accreditation requirements. We appreciate your help with this important project. If you have questions or concerns regarding the survey, please call me at 641-3400.

Sincerely,

Brandi Kendrick
Principal
